

# DISH Network Introduces 'DISH Studio'

*Scott Patrick of 'Hollywood One-on-One' Hosts Monthly Program Featuring Celebrity Interviews and Best in Entertainment on DISH Network PPV and DISH On Demand*

DISH Network Corporation (NASDAQ: DISH) today announced the launch of its newly-created entertainment show, "DISH Studio," showcasing coverage of the latest movies, sports and events, as well as celebrity interviews, on DISH Network Pay-Per-View and DISH On Demand. The show features Scott Patrick, host of "Hollywood One-on-One," who has appeared nationally on the Starz and Encore Networks. "DISH Studio" joins the line-up of DISH Network-produced original programming including the "Charlie Chat," "Tech Forum" and "Retailer Chat."

The monthly 30-minute commercial-free show debuted on DISH Network PPV Ch. 500 in September, and runs at the top of the hour throughout the month; a new episode airs the first of every month. The show can also be seen in DISH On Demand's TV Entertainment section.

The November show highlights segments on "Iron Man" and "Indiana Jones and the Crystal Skull," including interviews with stars Robert Downey, Jr. and Harrison Ford, as well as a family showcase recapping top movies the whole family can enjoy, a Pay-Per-View sports and events review, and "Patrick's Picks" – a rundown of Scott Patrick's favorite movies playing on DISH Network for the month. The show also features an in-depth interview with boxing great Oscar De La Hoya, who discusses his preparation for his upcoming fight against Manny Pacquiao available on Pay-Per-View.

"DISH Network is an entertainment company, and what better way to punctuate our brand than to launch a show that highlights some of our favorite programming and topics in TV entertainment today – exclusively for our customers," said Eric Sahl, senior vice president of Programming for DISH Network. "Scott Patrick is an entertainment industry insider with years of experience in Hollywood, and through 'DISH Studio,' he will offer our customers his unique insight into ways to better enjoy their DISH Network Pay-Per-View and VOD service."

October highlights of "DISH Studio" included interviews with Tina Fey and Amy Poehler of "Baby Mama" and George Clooney of "Leatherheads."
