

DISH Network and Azteca América Launch 24-Hour Pay-Per-View Feed Of 'La Academia Última Generación De México' On Channel 826

Azteca América and DISH Network Corporation (NASDAQ: DISH) jointly announce the launch of a 24-hour Pay-Per-View feed of the popular reality singing show La Academia Última Generación de México, offering DISH Network subscribers the most comprehensive coverage of the show.

DISH Network is the only U.S. pay-TV provider that offers subscribers the unique opportunity to watch and enjoy what happens inside the program's 'reality home' 24 hours per day, seven days a week, and experience the stories behind the reality: the flirtations, seductions, outright jealousies and blind ambition of the contestants.

This feed adds to the popular La Academia Última Generación de México property which includes Los Conciertos every Sunday night at 8 p.m. Eastern/7 p.m. Central/7 p.m. Pacific time on Azteca América, and Camino a la Fama Monday through Friday at 8 p.m. Eastern/7 p.m. Central/7 p.m. Pacific time.

"This is the third season we have partnered with Azteca America to offer more of La Academia to our subscribers because DISH Network recognizes the value of the show to our Latino customers," said Eric Sahl, senior vice president of Programming for DISH Network. "Our customers have asked for more access to behind-the-scenes drama, and we're giving it to them."

"La Academia Última Generación de México is one of our network's signature and most important properties," said Adrian Steckel, CEO of Azteca América. "Not only is it a reality show, but also it has been the launching pad for numerous top Mexican stars like Yuridia, Yahir and Erasmo. This 24-hour feed allows a deeper connection for fans to watch their favorite contestants build their musical careers."

La Academia fans who crave more than what they see on Azteca America Channel 825 can purchase the package to watch the continuous 24-hour feed on DISH Network Ch. 826 for only \$14.99 for the season.
