

DISH Launches MBC Drama and MBC 3

Leading Arabic channels offered exclusively on DISH

DISH, a leading pay-TV provider in the U.S., and MBC Group, a leading private free-to-air pan-Arab broadcaster, today announced an exclusive distribution agreement that includes MBC Drama and MBC 3 in DISH's Arabic-language line-up. As the leader in international programming with more than 260 ethnic channels in 29 languages, DISH is the only pay-TV provider to offer MBC Drama and MBC 3 to viewers in the U.S.

“We are proud to join DISH's extensive international line-up”

“These channels are in high-demand among U.S. consumers interested in Arabic programming,” said Chris Kuelling, vice president of International Programming at DISH. “We are pleased to exclusively offer MBC Drama's 24/7 drama series as well as MBC 3's highly-rated children's programming, and we expect our customers to be equally thrilled.”

MBC Drama is currently available in DISH's Arabic Super Elite Pack that includes 29 Arabic channels for \$44.99 per month. MBC 3 will be added to this programming package in August.

“We are proud to join DISH's extensive international line-up,” said Mohammed Al Windawee, director of Distribution at MBC Group. “Making the two channels available on DISH is the best way to get MBC content available to our target audience.”
