ENGLEWOOD, Colo.--([BUSINESS WIRE](#))-- DishLATINO will offer its subscribers financial advice and guidance from Julie Stav through a new educational campaign launched today. Stav, a leading financial expert in the Hispanic community, will be featured in a series of public service announcement ads created by DishLATINO, part of DISH Network L.L.C., a wholly owned subsidiary of DISH Network Corp. (NASDAQ: DISH) specifically for its customers. The campaign, a first of its kind for DishLATINO, aims to increase awareness among its Hispanic customers about personal financial management, highlighting the important role that credit plays in "opening doors" of opportunity in the United States.

"Empowering Hispanic consumers with information about their options makes them feel more confident about their financial management skills and opens up new possibilities. I'm thrilled to be working with DishLATINO, a brand that truly understands the challenges that Hispanics face when transitioning across cultures," Stav said. "Many Hispanics who are new to the United States are unaware of the cultural nuances related to financial management and credit. This isn't just about paying bills on time or balancing a checkbook, rather it's about practical money tips for families of all incomes to help plan for the future."

Stav is the go-to financial consultant for millions of Hispanics, author of best-selling books, and former host on the popular Univision news program, "Tu Dinero con Julie Stav." In a series of educational TV spots starting this week and available only to DishLATINO subscribers, Stav will offer her expert advice on a range of topics related to personal finance. In addition to providing

“At DishLATINO, we recognize that investing in our customers is good business – an educated customer is a better customer”

general guidance on establishing credit, the ads notify customers of payment options available to help them meet their obligations, such as changing their billing date or transitioning to a more affordable package.

“At DishLATINO, we recognize that investing in our customers is good business – an educated customer is a better customer,” said Alfredo Rodriguez, vice president of DishLATINO. “With Julie Stav at the forefront, our educational campaign will provide a wealth of financial tips that DishLATINO customers can apply to many aspects of their lives.”

Rodriguez added that Stav has been an integral contributor to the development of the new financial education campaign as well as an advisor to the DishLATINO team on how to support its subscribers with educational resources. For more information on DishLATINO, visit <http://www.dishlatino.com>.
