ENGLEWOOD, Colo. -- Sept. 19, 2017 -- ([BUSINESS WIRE](#))--As Hispanic Heritage Month gets underway, DishLATINO and Eugenio Derbez are teaming up to deliver "La Gran Sorpresa" ("the big surprise") in a series of heartwarming videos that reveal an unforgettable experience. “I’m proud to join DishLATINO in honoring each one, and I hope this project inspires others as they strive to seguir haciéndola.”

“Now more than ever, we need to be reminded that pride, hope and perseverance are all around us, and I am inspired by the exemplary Latinos I got to know through this experience,” said actor, producer, director, and DishLATINO spokesman Eugenio Derbez. “I’m proud to join DishLATINO in honoring each one, and I hope this project inspires others as they strive to seguir haciéndola.”

Earlier this year, DishLATINO [launched](#) the [Sigue Haciéndola campaign](#), a celebration of the pride, optimism, and cultural heritage of U.S. Latinos. Since the launch, tens of thousands of people have created their own customized photo filter showing pride in their heritage and determination to keep pressing on in the U.S.

“For us, every month is Hispanic Heritage Month, and we created Sigue Haciéndola as an ongoing platform to share and celebrate the many cultures that make us Latinos and the many cities we now call home,” said Alfredo Rodriguez, vice president of DishLATINO. “These new videos bring Sigue Haciéndola to life, honoring people who represent the spirit of the campaign through a moving, memorable event.”

During Hispanic Heritage Month, the Sigue Haciéndola [photo filter](#) gives Latinos a fun and easy way to proudly display their heritage on social media. The images are uploaded to a digital mosaic map of the U.S. showing the faces of participants from coast to coast. DishLATINO is also featuring the anthem of Sigue Haciéndola, “Somos Latinos,” sung by Latin Grammy nominated duo Periko & Jessi Leon, in a vibrant, uplifting television spot that can be found [here](#).

DishLATINO is also unveiling a new partnership with the [Immigrant Archive Project \(IAP\)](#), a nonprofit whose mission is to record, archive and share the stories of immigrants in the United States. Together, DishLATINO and IAP will share the stories of Latinos who left their homes and came to the U.S. to build a new life. The first story is available now on [siguehaciendola.com](#), with more coming soon.
