

COVID-19 Response: DISH Provides Spectrum to AT&T at No Cost, Delivering Enhanced Capacity to Wireless Network

- DISH to lend 20 MHz of AWS-4 and all of its 700 MHz spectrum to AT&T, starting today
- Follows announcement that DISH providing entire 600 MHz portfolio of spectrum to T-Mobile at no cost for two months

ENGLEWOOD, Colo., March 19, 2020 /[PRNewswire](#)/ -- Today, DISH announced that it is providing 20 MHz of AWS-4 (Band 66) and all of its 700 MHz spectrum to AT&T at no cost for 60 days. Last week, DISH [began lending](#) its complete 600 MHz portfolio of spectrum to T-Mobile. With these two agreements, DISH has activated most of its spectrum portfolio to enhance national wireless capacity as the nation confronts the COVID-19 crisis.

"DISH is proud to join forces with AT&T to achieve a common, critical goal: supporting the connectivity needs of Americans during this challenging time," said Jeff Blum, DISH SVP of public policy and government affairs. "Enhancing our nation's wireless networks helps give Americans the bandwidth they need to work, learn, and check-in on loved ones, and is especially crucial for those customers without access to other sources of broadband."

DISH's AWS-4 and 700 MHz spectrum will enhance AT&T's network as wireless users increasingly turn to mobile networks for work and personal use.

About DISH

DISH Network Corporation is a connectivity company. Since 1980, it has served as a disruptive force, driving innovation and value on behalf of consumers. Through its subsidiaries, the company provides television entertainment and award-winning technology to millions of customers with its satellite DISH TV and streaming Sling TV services. Through its strategic spectrum portfolio and other assets, DISH is poised to enter the wireless market as a facilities-based provider of wireless services with a nationwide consumer offering and development of the first virtualized, standalone 5G broadband network in the U.S. DISH's OnTech Smart Services brand offers in-home installation of connected home devices and entertainment solutions. DISH Media serves as the company's advertising sales group delivering targeted advertising solutions. DISH Network Corporation (NASDAQ: DISH) is a Fortune 250 company.
