

DISH Launches New TV Offer: Netflix Included with Your DISH Subscription

Enjoy Netflix with Your DISH TV Service

ENGLEWOOD, Colo., Oct. 17, 2024 – DISH Network, an EchoStar company (Nasdaq: SATS), is excited to announce a new offer that brings unparalleled entertainment to its customers. Netflix is now included with DISH TV subscriptions at no additional cost for two years. Beginning today, October 17, 2024, new DISH customers who sign up for a two-year commitment will enjoy a Netflix Standard Plan (ad-free) as part of their package. Even if customers already enjoy Netflix, they are still eligible for this offer when they sign up for a new DISH subscription.

“We’re always looking for ways to simplify and elevate the viewing experience for our customers,” said Gary Schanman, group president, DISH Video Services. “This new DISH and Netflix offer is a great opportunity to give DISH customers Netflix’s popular series and films. By bringing together the best of live TV and streaming, we’re offering convenience and access to the most sought-after content in one seamless experience.”

With the award-winning DISH Hopper® whole-home DVR system, switching between live TV and Netflix is effortless. Gone are the days of juggling multiple devices or remotes. With DISH, Netflix can be easily accessed right in the channel guide, on the Hopper home screen, or by simply saying “Netflix” with the DISH Voice Remote. DISH’s all-in-one entertainment solution offers the convenience of live television paired with Netflix’s vast streaming library. Whether it’s movies, shows, or live sports, everything you love is now at your fingertips.

New DISH customers with eligible equipment—including Hopper 3, Hopper Duo, Hopper Plus or Wally receivers and a high-speed internet connection—can take advantage of this offer.
