**DISH Network's DISHOnline.com Delivers HBO® and Cinemax® Titles Not Available on Netflix's Online Service**

DISH Network L.L.C. today announced that DISHOnline.com now gives customers instant, unlimited access to HBO and Cinemax titles not offered by Netflix's online service. In connection with Home Box Office, Inc.'s new online video destinations, HBO GO® and MAX GO®, DISH Network customers who subscribe to HBO or Cinemax premium channels can now instantly watch nearly all of the respective current HBO or Cinemax programming inventory – most of which is available in high definition – at DISHOnline.com. Customers have access to more than 1,800 titles including Hollywood hits such as *Avatar*, *The Hangover* and *Up In The Air*, original content like award-winning series *Boardwalk Empire®* and *True Blood®*, as well as independent films, cult favorites and more.

"DISH Network is thrilled to be working with HBO to bring this broad collection of top-billed content to our customers for instant access at DISHOnline.com," said Dave Shull, senior vice president of Programming for DISH Network. "DISH Network customers with an HBO or Cinemax subscription can also get new series titles after their premiere – plus bonus content including interviews, recaps and behind-the-scenes extras – none of which are available through Netflix's online service."
