

DISH Network Statement in Response to Federal Circuit Ruling in Tivo Inc. v. EchoStar Communications Corp.

DISH Network Corporation (Nasdaq:DISH) issued the following statement regarding recent developments in the Tivo Inc. v. EchoStar Communications Corp. lawsuit:

"We are disappointed that the Federal Circuit did not grant our petition for rehearing. The decision, however, will have no effect on our current or future customers because EchoStar's engineers have developed and deployed 'next-generation' DVR software to our customers' DVRs. This improved software is fully operational, has been automatically downloaded to current customers, and does not infringe the Tivo patent at issue in the Federal Circuit's ruling.

“We intend to appeal the Federal Circuit's ruling to the United States Supreme Court.”

"All DISH Network customers can continue to use their DVRs without any interruption or changes to the award-winning DVR features and services provided by DISH Network.

"We intend to appeal the Federal Circuit's ruling to the United States Supreme Court."
