Nationals and Orioles Fans Get Unmatched Access All Season Long

ENGLEWOOD, Colo. & BALTIMORE, Md.--EchoStar Communications Corporation (NASDAQ: DISH) and its DISH NetworkTM satellite TV service announced today the launch of the Mid-Atlantic Sports Network (MASN), the television home of the Washington Nationals and the Baltimore Orioles.

"Adding the Mid-Atlantic Sports Network to our existing Regional Sports Networks lineup gives Nationals and Orioles fans all the more reason to subscribe to DISH Network," said Eric Sahl, senior vice president of Programming for DISH Network. "By combining the latest and most popular sports programming with the functionality and technology of our industry-leading digital video recorders, they will find multiple ways to enhance their viewing experience."

"We are pleased to have finally reached this agreement with DISH Network," stated Todd Webster, spokesman for MASN. "DISH Network recognizes the huge appetite for Major League Baseball in the mid-Atlantic region and has stepped up to the plate for its customers."

MASN, a 24/7 regional sports and entertainment television network, will feature up to 161 regular season Nationals telecasts and 162 regular season Orioles telecasts this season. Additionally, for the first time ever, the network is carrying 30-minute pre-game and post-game shows, providing fans unmatched access all season long. DISH Network customers who subscribe to America's Top 100 Plus and higher or Dish Latino Dos and higher now have access to MASN on channel 432 and MASN2 on channel 433.

DISH Network subscribers will be able to enjoy this programming immediately and are invited to tune in at 6:30 E.T. this evening to either channel 432 to catch the Orioles at New York Yankees or channel 433 to see the Nationals host the Arizona Diamondbacks. For more baseball action this weekend and all season long, subscribers should visit www.masnsports.com for schedules.

DISH Network offers customers a wide variety of sports programming including the NFL Network, ESPN, ESPN2, ESPN News, ESPN Classic, NBA TV, The Speed Channel, The Golf Channel, and Regional Sports Networks.

New subscribers can sign up for DISH Network's DishDVR Advantage, an all-inclusive TV package with more than 200 all-digital channels, local channels where available, a state-of-the-art DVR serving two TVs and free standard professional installation with no extra fees for one low price of \$49.99 before promotions.
