## DISH Network Introduces New National HD Channels

## Leads All TV Service Providers with More Than 140 National HD Channels

Today, DISH Network(R) introduces the high definition feeds of: FX, SPEED, Fashion TV (FTV), Logo and MavTV, fortifying its HD superiority and bringing its total national HD count to more than 140 channels. DISH Network also announced that it will now host the complete 24-hour feed of The N on DISH Network Ch. 181, its new permanent location. Additionally, DISH Network will launch MSNBC HD in June.

"No one has more HD than DISH Network," said Dave Shull, senior vice president of Programming for DISH Network. "We're delivering the best HD service, and when you add our DVR technology with our affordable pricing, DISH Network is the only choice for consumers looking for the ultimate HD experience."

FX HD and SPEED HD are located in DISH Network's Classic Silver 200 HD programming package and above, available to consumers starting at \$22.99 per month for the first six months, along with free installation, a free HD DVR and three months of free premium channels, including HBO and Showtime. FTV HD, Logo and MavTV HD are available in PlatinumHD, an HD add on package available to subscribers for just \$10 per month. 66We're delivering the best HD service, and when you add our DVR technology with our affordable pricing, DISH Network is the only choice for consumers looking for the ultimate HD experience.??
